

Trading Apprenticeship & Affiliate Program

Mentored by Petrus Kelechukwu Mgbegu

Dxdy1010

Program Overview

This is a learn-and-earn program for people interested in financial markets.

- You will be mentored directly by me (7+ years trading experience).
 - You will help create/share content to promote my services.
 - You will earn commissions in USD when people sign up through your referral.
-

What You Get (Benefits)

- Free mentorship (valued at \$600): trading strategies, risk management, psychology.
 - Affiliate earnings: paid in USD for every sale you bring in.
 - Experience in financial education, digital marketing, and client management.
 - Access to my network & trading community.
-

Commission Structure

- Signal Subscriptions (\$50/month):
 - You earn \$20 per sign-up (recurring monthly as long as client stays).
- Group Mentorship (\$600 package):
 - You earn \$100 per sign-up.
- 1-on-1 Mentorship (\$1,200 package):

→ You earn \$200 per sign-up.

(Paid monthly via crypto, PayPal, or bank transfer.)

Your Role & Expectations

- Create/share content weekly (3–5 posts): reels, graphics, tweets, stories.
 - Promote services on WhatsApp, Telegram, Instagram, Twitter, TikTok, LinkedIn.
 - Use only approved content templates or messaging provided.
 - Stay active in apprentice group chat (progress, learning, reporting).
-

Rules

1. You must represent the brand professionally.
 2. No false promises or misleading claims when promoting.
 3. All payments from clients go through the official channel, not through you.
 4. Commissions are only paid on verified sign-ups tracked with your unique code/referral.
 5. Minimum commitment: 8 weeks.
-

How to Join

- DM with: “I’m ready to learn + earn”
 - Fill short application (basic info + why you want in).
 - If selected, you’ll get access to the apprentice group and mentorship materials.
-
